

Masks save lives

** Centers for Disease Control (CDC)*

*** The NY Times*

46,783,309

Cases of COVID-19 in the U.S.*

757,663

Deaths in the U.S. due to COVID-19*

130,000

Lives could have been saved in the U.S. by wearing masks alone (perhaps more!)**

The best masks...

- Have two or more layers of washable, breathable fabric
- Completely cover your nose & mouth
- Fit snugly against the sides of your face, without gaps
- Have a nose wire to prevent air from leaking out of the loop
